MOTION: Robbie Cantrell moved to approve the July 11, 2024 meeting minutes. **Seconded by Carol Allen.**

Motion passed unanimously.

5. Review of Monthly Law Enforcement Reports from July

Captain Asboe reviewed the July reports.

6. County's Planned Expectations of Law Enforcement Under HB4002

Captain Asboe reviewed the section that applies to law enforcement (page 30, Section 36). He stated that the County is currently working on building a deflection center on 9th and Sandy Blvd. Once this center is set up, the individual would be able to be assessed and be given opportunities to meet with service providers to help address their addiction or other issues. We don't know 100% yet what this will look like. We do know that we want to make sure that this bill improves public safety for everyone. The Sheriff has been working with the other Chief's in

the County and making recommendations to the Chair on how we think we can best make this happen and balance the needs of those having substance abuse issues versus the needs of the community at large. We will be ready to start taking people to a deflection center as of September 1st. One thing to consider is that this only applies to a very small number of people that police may encounter and wouldn't apply to every person that law enforcement contacts that is experiencing a substance abuse disorder.

Victoria Rizzo asked how many times is someone able to choose deflection?

Captain Asboe replied that hasn't been figured out yet.

Robbie Cantrell asked wouldn't deflection essentially be a one time use? Because if they go to deflection they would have been issued a citation.

Captain Asboe replied that people will have additional shots at deflection and it won't be limited if they have a criminal past. The only thing that limits them is if they were committing other crimes at the time that they committed this unclassified misdemeanor or if they have an outstanding warrant for a previous crime.

Carol Allen asked are we spending lots of money on a program for a very minute group of people? I want to see improvement but how do we get over that bridge.

Captain Asboe replied that is the big question. Even though it is generally a finite amount of people that will meet this, there is no absence of people who have substance abuse disorder and on any given day they could fit the criteria. Realistically you could say that every individual that has a substance abuse disorder could potentially meet the criteria.

Sheri Winters asked if there is an action item for PSEAC that they should be focused on?

Captain Asboe replied to please feel free to reach out to him as they move forward if you see something or have a question about something. I'm hopeful that by November I can tell you more about the process.

7. Discussion Regarding the Safety Survey

Shelby Staffenson stated that she had met with Ray about the survey and he has some concerns. She told him they are very interested in how their community feels and if they feel safe. He is fine with the Committee moving forward on it and allocating a little bit of money and staff time for it and they could put a link to the survey on the website.

Carol Allen stated she was still interested in having a booth at First Friday and take turns manning the booth.

Captain Asboe stated the Sheriff's Office had a booth the Fairview on the Green event. Their booth was next to the Fairview Public Safety Committee booth and it was pretty well visited by the public. He thought having a booth would be a really cool way to engage with the community.

Robbie Cantrell suggested printing out a very big QR code with text that says “take our public safety survey”. We will staff the booth, encourage residents to take the survey, and engaging with them.

Sheri Winters stated she would like the survey to also go out in other ways besides the First Friday booth. Maybe include something on the utility bills, on the website, in the Troutdale Champion, and drop off hard copies to places where residents don’t get water bills like Troutdale Terrace.

The Committee was interested in getting the survey kicked off with a booth at First Friday as a first step and then go to the City Council and talk about next steps after that. The following action items were assigned to prepare for the First Friday booth:

- Robbie Cantrell – put the survey into a Google form, create QR code to the survey, and email the Committee a link to the survey along with a QR code graphic.
- Shelby Staffenson – find out about costs, where to get the QR code printed, get paper copies of the survey for the booth, ask staff about supplies, a wheel to spin, and any extra Troutdale swag for giveaways.

8. Review Committee’s Goals

MOTION: Twilla Harrington proposed to move this discussion to the next meeting’s agenda. Seconded by Robbie Cantrell.

Motion passed unanimously.

9. Update on Next Month’s Agenda

- National Night Out
- Committee Goals
- Survey Follow Up

10. Confirm Next Meeting Date – September 5, 2024 at 6:30pm

The next meeting was confirmed for September 5th at 6:30pm

11. Committee Member Comments

Victoria Rizzo gave kudos to Woodrow for trying to set up the police and fire cadet (explorers) programs. She also said she put her heart and soul into this committee and was sorry that she didn’t meet their expectations. She did everything the group asked, got all the speakers that were requested, and was really disappointed when tasks given by City Council were being tabled (red light cameras). She would like to see assigned tasks be completed in a timely manner. ~~On the red light cameras, Gresham is also concerned about the intersection of 257th and Stark. An email that is sent out and was not to be discussed, I’d like it to not be discussed until the meeting. Informational emails are sent out and that’s only for informational purposes and are not for discussion until we are in a meeting.~~ She mentioned that she had attended the Rockwood and Wood Village Nights Out. Almost every booth had a wheel, there were a lot of vendors, lots of give aways, kids activities, free food, and music. If Troutdale does one, they

may not want to do it when everyone else is doing it so there is plenty of participation. Maybe instead at the end of August or beginning of September. There could be some school supply giveaways and maybe tie it in with a movie night at Columbia Park. The Cities of Oregon City, Happy Valley, Maywood Park, and Gresham are all having Nights Out on Tuesday. She is planning to go to them all.

Captain Asboe stated if you decide to do this and are looking for vendors, the Sheriff's Office has a number of contacts and connections and we can give you a list of those.

Sheri Winters stated that she noticed red light cameras listed in the goals. It might be something that we want to put in the survey.

Shelby Staffenson stated thank you for all of your input, good meeting, and thank you Captain. She mentioned that she clarified with Ray that the City does not pay the fire fees, they are included in the contract with Gresham Fire.

Captain Asboe mentioned that there has been some interest in learning about the comfort dog and to let him know if the Committee wants to add that as an agenda item.

Shelby Staffenson asked as a follow up to previous public comment, were there any issues with July 4th?

Captain Asboe replied there were some neighborhoods that were more greatly impacted than others. His goal is to be staffed to a point where they can better address firework issues in years to come. This year, there wasn't enough staffing to dedicate deputies to just fireworks.

Twilla Harrington asked about possibly assigning times to agenda items.

Shelby Staffenson replied that she will try to keep meetings to 2 hours.

12. Adjournment

MOTION: Carol Allen moved to adjourn. Seconded by Sheri Winters.

Motion passed unanimously.

Meeting adjourned at 8:53 PM.
